## Influence and Safety

The influence of the bank on the daily life of the community is continually increasing, and it is not too much to say that just as the church stands for the highest ideals in the spiritual life, so the bank seeks to elevate and maintain them in the business and social life of the community.

#### CLAN MAC NEIL

The Neales are of royal lineage, and for 500 years they were the dominant power in Ireland. You may spell the name as you will-Neale, Nealle, Neele, Nial, O'Neill or Me-Neal-but you still have the same origin, the word meaning "champion" with all its splendid and romantic

leading septs of the North of Ireland. Romantic and thrilling are the storries told of him. He had many sons. eight of whom became founders of important clans

The prosterity of four, who settled in the South of Ireland, were called the Southern Ilui, or Hy Naill. The other' four went to Ulster and made swordland of a large part of it. Their descendants were the Northern Hut Neill. Posterity were called by diff. erent names-the O'Neills, O'Donnells and so on. Daughters of the Druids must be counted in when king out an ancestral record, for Ethne "the Terrible" was an O'Neil and the daughter of a Druid. She was slain in battle with her husband. Iu the literary world the Neal fam

ly, spell the name as you will, have been shining lights. Hector Mc-Neill, a Scottish poet of the eigh eenth century wrote enduring yerse which charms by its romantic ap peal. "I loved ne'er a lassie but one'
